

Salem Celebrates Earth Day

Kimberley Driscoll
Mayor

Mayor Kimberley Driscoll
cordially invites you to
Celebrate Earth Day
Thursday, April 17th
6-8:30 p.m.

at the
Carlton School, a “Green Building”- 10 Skerry Street

Come and see Salem’s Big Belly solar trash can, the Rainbarrels and Composters the City sells at cost, and the Fire Department’s new Hybrid vehicle

Learn more about environmental activities that are happening in Salem

- Salem’s Recycling Task Force
- Conservation Commission
- Renewable Energy Task Force
- Open Space and Recreation Plan
- SAFE (Salem Alliance for the Environment)
- Salem Sound Coastwatch

6-7 pm: Children’s Activities and School Tours sponsored by Carlton’s PTO
Refreshments available for sale; proceeds to benefit their recycling initiatives

7pm: Presentation on Greenscaping by:
Barbara Warren, Executive Director Salem Sound Coastwatch

Learn how you can have a safe, healthy and beautiful yard and lawn and save money on your water bill at the same time!

Other things to do at this event:

- Purchase recycle bins and/or lids at 50% off
- Purchase Composters, Rain Barrels, Water Conservation devices (low flow showerheads, faucet aerators and adjustable hose nozzles)
- Purchase a Sticker to dispose of freon appliances, televisions, and computers
- Schedule a White Goods Pickup

Carpool or Bike to the event and you will have the opportunity to win prizes
