## CITY OF SALEM 2006 RESIDENTIAL SECTOR STREET SWEEPING SCHEDULE

The calendar below is designed to let you know when your street will be swept. Residential sectors will be swept from 7AM to 3PM. Sweep days are the day after your trash day. To find your street sweeping dates, just locate what zone your street is in, and match it with the calendar. Monday sweep schedules are for the preceding Friday's trash day. For example, if you live on Atlantic Street, which has a Friday trash pickup, you are located in Zone One, so the odd side of your street will be swept on Monday, April 3<sup>rd</sup> and the even side your street will be swept on Monday, April 10<sup>th</sup>. Please help us keep our City clean by parking your vehicle(s) on the opposite side of the street during your scheduled sweeping day. *(Please note: Certain weather conditions prohibit the use of the street sweepers: during moderate to heavy rainfall and extreme cold temperatures, sweepers will not be able to operate. There will be no street sweeping on a holiday. Also, please be aware that certain public works emergencies, projects, staffing and/or equipment issues may be cause for the sweeper to be unable to complete its daily route. In all these cases, the sweeper will return to your street on its next regularly scheduled day. For more information, please contact the Salem DPW at 978-744-3302.)*
