The NSCDC Urban Art Museum murals have garnered attention from press and the public, come check it out. SCNA – happy that the benches are being repaired and the newspaper boxes are gone. Some concern from abutters and those near Town Fair Tire location about receiving notifications concerning meetings. Northfields – Great deal of concern in the neighborhood regarding the proposed housing project on the Ferris junkyard site, impacts on traffic and skyline/compatibility with the neighborhood, and the potential encroachment on City land at Furlong park.
