Question: I do not understand how the health dept. food truck and cart fees are applied.

Answer:

Per food truck or cart for 1-3 consecutive days, the total permit fee for health is \$300

Per food truck or cart for 4-7 consecutive days, the total permit fee for health is \$600

As an example, if a single food truck vendor is booked for four, 3 day weekends, the total fee for health is \$1,200.
