Service Learning Project- Shoe boxes

Youth commissioners gathered to put together shoe boxes and bags as their first service learning project. All members were able to put together a combination of 150 bags and boxes for our families in Salem. As a group we discussed best ways to execute future projects. Commissioners suggested we start a drive earlier to make it bigger and involve more community members. Over all we had great method of assembling the boxes. Commissioners suggested that we keep inventory of the number of items that are collected and that the YC members will assist in organizing items donated.

Introductions & Public Comments:

We introduced and welcomed three new associate members, Lilly, Ozzy and Patrick. Felicia shared information about Youth build service learning projects during MLK Week. Mentioned there will be an opportunity to paint a mural, serve breakfast at my brothers table, volunteers could also make mason jars for seniors.

Previous Meeting Minutes:

Nick made a motion to accept November minutes, Felicia second the motions. Motion passed and minutes were approved.

Membership:

Youth commissioners discussed subcommittees. The three subcommittees are as follows:
