Notice of Meeting

*You are hereby notified that the Salem Bicycling Advisory Committee will hold a regularly scheduled meeting on
Monday, October 24, 2016, at 7:00pm at 120 Washington St, 3rd Floor, Salem, MA*

Meeting Agenda

Call Meeting to Order

Roll Call:

1. **Public Comment**
2. **Project Tracking Form** – Review project tracking form and review additions and comments on tracking form tasks.
3. **New/Old Business**
 - **Update on Complete Streets/Roadway Construction** – City Engineer David Knowlton will give an update on current and planned roadway improvements that will impact bicycle mobility and access in the City. This will include Canal St. and Canal St off-road path updates, restriping of bike lanes and sharrows on existing roads, MassDOT Complete Streets funding projects, paving schedule and potential for bike markings on newly paved roads, and other bicycle related engineering projects in Salem.
 - **Salem Bicycle Share RFP Results and Vendor Selection** – The City is exploring options to upgrade the existing Salem Spins program to a more automated, bike-share style model similar to Boston's Hubway bike share system. The City has received two proposals and has evaluated the proposals. Results will be shared with the Committee and discussion of next steps with selected vendor will take place.
 - **Bicycle Master Plan Update Discussion** – CIP Engineering money was allocated to update the Master Plan. Discussion of Request for Proposals content for the Master Plan consultant will take place. The goal will be to have a finalized draft for putting into a formal RFP to be released in early November 2016.
 - **Rt 1A Vinnin Square Corridor Study** – There is a working group meeting and update for this study on Monday the 24th so an update will be given in regards to its status.
