

An Enchanting Holiday Trip

Get into the spirit! We will head west to **Old Deerfield Village**, making a rest stop en route at the Johnny Appleseed Visitor's Center. Once at Deerfield we will step back in time as we are shown an open hearth cooking demonstration focusing on the history of holiday treats, tour one of the historic houses featuring period desserts in the dining room, have a guided bus tour of the main street where we will view historic buildings decorated with holiday wreaths, and participate in a craft making activity where you will all take home the gift you make. Next will be lunch at the beautiful colonial **Deerfield Inn** – you'll think you've stepped back to the 1800's. Lunch will be: Roasted Butternut Squash Soup, Holiday Bread Pudding, coffee/tea, and on the buffet will be your choice of Roast Turkey with all the fixings, Ham with Warm Apple Sauce, and Herb Crusted White Fish with a Lemon Beurre Blanc. Next we will visit the **Yankee Candle** flagship store & winter wonderland to browse & enjoy the holiday displays of animated figures, miniature villages and more. We will end our day with a visit to **Bright Nights**, the largest holiday lighting display in New England, and one of the top 100 bus events in the country!! This is a drive through holiday spectacle, with lights heralding Christmas, Hanukkah and Kwanzaa. We will make a rest stop on the way home.

This trip is great fun, & sure to fill you with Holiday Cheer!
