

***What is the Community
Preservation Act?***

The Community Preservation Act (CPA) was adopted by Salem voters in November, 2012. It established a pool of funds for the purpose of undertaking projects involved with open space, historic preservation, outdoor recreation or community housing. It is financed by surcharge revenues, along with matching funds from the Commonwealth of Massachusetts.

This Taxpayer Information Guide will help property owners understand how the surcharge is calculated and the requirements for applying for an exemption.

2018**

What are surcharge revenues?

The surcharge is paid by residential and commercial property owners. The first \$100,000 of taxable value is exempt. On the remaining value, the City levies a surcharge of 1% (of the assessed property tax), which is included in real estate tax bills.

How is the surcharge calculated?

The 1% surcharge is calculated as follows (using an assessed valuation of \$300,000 as an example and based on the City of Salem’s FY17 tax rate):

A. Assessment	\$300,000.00
B. FY 2017 Tax Rate	\$15.86
C. FY 2017 TAX	\$4,758.00
D. CPA Residential Exemption	\$100,000.00
E. CPA Taxable Value	\$200,000.00
F. CPA Tax Basis	\$3,172.00
G. CPA Surcharge =1%	\$31.72
H. TOTAL ANNUAL BILL	\$4,789.72

The annual tax rate is \$15.86 per \$1000 of the property assessment (A ÷ \$1000 x \$15.86 = C). The CPA exempts \$100,000 (A - D = E). The tax rate is applied to the CPA Taxable Value (E ÷ \$1000 x \$15.86 = F). The surcharge is 1% of the CPA Tax Basis (F x 1% = G). C + G = H (the total annual bill).

The surcharge is divided equally over the quarterly tax bills.

Are there exemptions to the surcharge?

- Any residential property entitled to abatement or statutory exemption is automatically entitled to a proportional CPA exemption.
- Certain households may be eligible for a full CPA exemption.
