**WHEREAS** the land that is today called the City of Salem was, for millennia before the arrival of Europeans here in 1626, called Naumkeag, or *fishing place* by the Massachusetts peoples who lived here and called this place home; and

**WHEREAS** Nanepashemet and many other Massachusetts Tribal leaders led their people from Naumkeag and the surrounding areas for millennia; and

**WHEREAS** Salem recognizes, values, and celebrates the many contributions made to our community, our Commonwealth, and our country by Indigenous Peoples' now and throughout our history; and

**WHEREAS** Indigenous Peoples of this region and throughout this nation suffered and endured egregious acts of cruelty, exploitation, dispossession, enslavement and genocide; and

**WHEREAS** Salem today is a community that celebrates and welcomes everyone, is dedicated to pursuing equity and justice, and is committed to policies and practices that seek to undo systemic racism and discrimination;

**THEREFORE** we, the undersigned hereby acknowledge that Salem is Indigenous land, honor the resilience, survivance, and continuity of the Indigenous Peoples of our nation, and declare and recognize the second Monday of October of this year and for all years henceforth to be Indigenous Peoples Day in the City of Salem. We call upon all residents of Salem to recognize and commemorate this occasion accordingly by reflecting on the legacy of the first peoples of this land, celebrating their contributions, and acknowledging the injustices suffered by them since 1626.

**#419 – MAYOR TO ADDRESS COUNCIL RELATIVE TO THE MONTH OF OCTOBER**

The following communication from the Mayor was received and placed on file.

September 24, 2020

Honorable Salem City Council  
Salem City Hall  
Salem, Massachusetts 01970

Ladies and Gentlemen of the City Council:

I would like to request the opportunity to address you at your meeting of September 24<sup>th</sup> to provide the public and the City Council with an update on the City's plans for the month of October. Thank you.

Very truly yours,

Kimberley Driscoll  
Mayor  
City of Salem

Mayor Driscoll spoke about changes to Halloween in Salem this year. Main goal is to de-densify the Pedestrian Mall. Tourists must make advance reservations and advance ticketing to get into places or won't be allowed. More agility with Road Closures. The city is putting a limit on buskers and street performers and where they can perform. The required Mask Zones will be extended out to Derby St. area and possible other areas. The State requires lodgers to fill out an attestation of health questionnaire. Our own local lodgers will require the same visitor attestation. The Downtown Ambassador Program will continue. Digital Ads i.e. signs at the train station to notify visitors of masks required.

Although the Governor increased table capacity to 10 people, Salem is sticking with six. There will be a crowd meter report that goes out to tell people thinking of visiting how busy it is.

To de-densify – COVID safe activities, pods, plans are fluid, weather is a factor, but Halloween is on a Saturday.

Councillor Madore asked about the emergency fund of \$250,000 the Council approved. She would like to see an update on the spending of that fund. Especially with winter coming, how to help restaurants and retail shops.

The Mayor was asked if Halloween was being cancelled. No easy answers but shouldn't wait for Governor's guidance. We need to provide local guidance unique to Salem.

**CITY OF SALEM**  
**SEPTEMBER 24, 2020**  
**CITY COUNCIL REGULAR MEETING**

The Mayor responded does not know the exact numbers on the spending but will come back with that. Also, still waiting to see what is reimbursed through FEMA. But money has been spent on assistance with rent, PPE. The START Program offers \$500 for 3 months. As for Halloween, DPH will provide guidance. We don't want to send mix messages – need a unified message.

Councillor Turiel asked with the current licensing of outdoor dining is there a way to stretch the season out through using heaters. Is there anything we can do to facilitate? People will come to Salem. Are there any measures for overflow lots or crowds if they come?

The Mayor stated we are working closely with outdoor dining. Heaters have been purchased. The Fire Department is involved due to propane. The Licensing Board has the authority to extend as long as they want. There are overflow lots for parking just no fundraising for youth groups this year.

Councillor Hapworth asked the Mayor to expand upon the extension of the mask order, timeline and where.

The Mayor said Derby Street is the focus with the Board of Health. Key consideration is due to size of crowds and the infrastructure. Derby Street is narrow and has attractions on it. We will need to add signage and ambassadors.

Councillor Dibble asked about the streets being open all month except for Halloween day. He also asked about bathrooms and liability.

The Mayor said that Washington Street, Lower Essex Street will close as necessary. An audible will be called if needed. For example, if there are too many people and they end up walking on the street because the sidewalks are full. We need to make sure there is physical distancing. Haunted Happenings is not being promoted or marketed, but that doesn't change the calendar. Other events have been cancelled such as the Topsfield Fair, apple picking so people are going to come here. Bathrooms will have them up by October 1<sup>st</sup>. Cleaning is another challenge due to COVID. Liability – Local Boards of Health can be more restrictive than state guidelines.

Councillor Prosniewski asked if the COVID test site will be extended into November due to crowds coming? Any talks with DPH to expand beyond that plus mobile testing sites?

Councillor McCarthy asked about trick or treating. Will it be cancelled, or hours made earlier if doing it so there will be lighter? There are other ways of giving out candy.

**#420 – RESOLUTION IN SUPPORT OF THE SALEM POLICE DEPARTMENT**

**CITY OF SALEM**  
**SEPTEMBER 24, 2020**  
**CITY COUNCIL REGULAR MEETING**

The following resolution introduced by Councillor Flynn was adopted as amended by a unanimous roll call vote of 11 yeas, 0 nays and 0 absent.

The amendment made by Councillor Riccardi and seconded by Councillor Dibble was to add the words “race, ethnicity” to third paragraph after the words “regardless of”

Whereas: The mission of the Salem Police Department, as stated, is to enforce laws, protect individual rights, lives and property and to arrest those in need of arresting, cite those who need citing, assist those who need assisting, in order to improve public safety for everyone, reduce crime in our community and diminish the fear of crime. We will utilize problem-solving strategies that focus on crime prevention, dispute resolution and foster enhanced communication, cooperation and involvement with the community. We will treat people with dignity and respect and deliver the highest standards of police service and assistance to all. We will do this with pride in our profession and with professionalism worthy of the badge.

Whereas: As also stated on the Salem Police web site, the Salem Police Department is dedicated to protecting and ensuring our community’s safety and well-being. Now Therefore, Be It Resolved: That the Salem City Council commend, recognize and support the women and men of the Salem Police Department. Their services and sacrifices as the “finest” will always be appreciated.

Councillor Riccardi stated she was in support of this but would like to have race and ethnicity added to resolution.

Councillor Prosniewski stated he has been a police officer in Salem for most of his life. There is a different culture in Salem. We are not Minnesota or Chicago. This culture started with Chief St. Pierre. He demanded our police department be transparent. When start talking about national politics please don't paint everybody with the same brush. Thanked Councillor Flynn for bringing this in. Men and Women of the Salem Police Department appreciate it. We have been community oriented and transparent for a long time.

Councillor Madore also believes Salem Police Department is different than others in the nation. They value community. There is a lot of unrest in the country. Salem Police are shining role models. Learn from mistakes.

Councillor Hapworth also states that SPD reflects leadership and is thankful. Every day there are conversations around race equity. Doesn't mean we can't support and recognize our own Salem Police Department.

Councillor Sargent stated 30 years ago, Salem PD was doing community policing. Police in the neighborhoods talking to kids that live there. Our police, police community and police themselves. Shouldn't stereotype everyone; it isn't fair.

Councillor Flynn stated he could have written 25 pages to thank everyone from the top down and past police officers and Chiefs.

Councillor McCarthy is blessed to work with the best Police Chiefs he ever known, St. Pierre, Tucker, Butler and now King. He has the upmost respect for all of them. Salem Police Department is different. They do a great job. Shouldn't lump police Officers or Public Safety into one category. Councillor McCarthy also shared his story with the Police Dept. looking out for him and his family during a protest in front of his house.

**#421 – TRAFFIC ORDINANCE AMENDING CH. 42, SEC. 50B – HANDICAP PARKING-  
REPEAL HATHORNE STREET.**

The following Ordinance introduced by Councillor Morsillo was adopted for first passage by a unanimous roll call vote of 11 yeas, 0 nays and 0 absent.

***In the Year Two Thousand and Twenty***

*An Ordinance* to amend an Ordinance relative to Traffic, Ch. 42. Sec. 50B

Be it ordained by the City Council of the City of Salem, as follows:

**Section 1.** Amending Chapter 42, Section 50B – “Handicap Zones, Limited Time” is hereby amended by repealing the following:

Hathorne Street, in front of #77, for a distance of Twenty (20) feet “Handicapped Parking Only, Tow Zone.” (5/13/10)

**Section 2.** This Ordinance shall take effect as provided by City Charter.

**#422 – TEMPORARY GUEST PASSES FOR THE MONTH OF OCTOBER FOR  
CERTAIN STREETS**

**CITY OF SALEM**  
**SEPTEMBER 24, 2020**  
**CITY COUNCIL REGULAR MEETING**

The following Order introduced by Councillor Madore did not pass by a roll call vote of 5 yeas, 6 nays and 0 absent. Councillors Hapworth, Madore, Morsillo, Riccardi and Turiel were recorded in the affirmative. Councillors Dibble, Dominguez, Flynn, Prosniewski and Sargent were recorded in the negative.

ORDERED: That residents of certain streets identified in Section 75A of the City's Traffic Ordinance shall be able to, upon request from the Traffic & Parking Department, receive a temporary guest pass effective from October 1<sup>st</sup>, 2020 to November 1<sup>st</sup>, 2020. Only one pass shall be issued per dwelling unit, as defined in Section 10 of the City's Zoning Ordinance. The guest pass is to be used ONLY while visitors are visiting the dwelling unit to which the pass is issued.

Before the vote was taken there was discussion.

Councillor Sargent asked how does this change the second passage of the ordinance under unfinished business.

Councillor Madore replied if this passes then she will ask to strike that out in the second passage for this year.

Councillor Sargent stated he has been fighting for these people for a long time to get visitor passes. It's easy enough to remove in next year if it doesn't work. It's only one line. We just had a committee meeting on this and compromised two weeks ago and all agreed. Now two weeks later taking this line out after working this hard. Asked why

Answer was the staff was concerned about people coming to the office to get these passes.

Councillor Dibble asked for clarification. There were quite a few meetings on this in Council over the last 2 years. There was consensus in committee and compromise. Only 1 visitor pass and only if requested. We agreed on this and voted on it.

Councillor Sargent reiterated about the compromise to only issue 1 not 2 passes that other resident sticker streets can get, and these folks must request it; they just wont automatically be sent one. Strongly suggest stay with what we worked on.

Councillor Madore stated this Order has the same exact compromise with a time stamp for 1 year to try it out. It's to permanent if passed within the Ordinance. This will help the staff collect data on whether or not people want to use this how many passes to print, etc.

Councillor Sargent said we had this debate in committee. These residents shouldn't be treated as second class citizens. Keep it in the ordinance then change it. Ask for motion to be withdrawn.

**CITY OF SALEM**  
**SEPTEMBER 24, 2020**  
**CITY COUNCIL REGULAR MEETING**

Councillor Dibble isn't sure why last minute change. This change was not discussed in committee.

Dave Kucharsky stated that one difference is that these Halloween passes are free and the year round streets, people have to pay. In addition, I am authorized to issue passes if needed.

Councillor Hapworth feels this is a fair compromise to test it.

Councillor Sargent – what is the difference between permanent resident sticker parking who get 2 passes for 12 months and temporary resident sticker get 1 pass for 1 month. Cannot treat them differently. Very disappointed.

Councillor Madore stated the difference is residents have to pay to park year round and these get for free.

Councillor Sargent asked Dave Kucharsky if he can collect the same information if it is passed for second passage as is.

Dave Kucharsky said yes.

**#423 – CREATING A FLAG RAISING CALENDAR OF EVENTS**

The following Order introduced by Councillor Madore was adopted.

ORDERED: That the Committee on Government Services co-posted with the Committee of the Whole meet to discuss creating a calendar to schedule flag raising events.

**#424 – RESCHEDULE THE CITY COUNCIL REGULAR MEETING FOR OCTOBER 22, TO OCTOBER 15, 2020**

The following Order introduced by Councillor Sargent was adopted by a unanimous vote of 11 yeas, 0 nays and 0 absent.

ORDERED: That the Regular City Council Meeting scheduled for Thursday, October 22, 2020 be moved to Thursday, October 15, 2020 due to Early Voting and the Presidential Election

**#425 – MEET WITH THE ADMINISTRATION TO DISCUSS BULLYING**

**CITY OF SALEM**  
**SEPTEMBER 24, 2020**  
**CITY COUNCIL REGULAR MEETING**

The following Order introduced by Councillor Dibble did not pass by a roll call vote of 3 yeas, 8 nays and 0 absent. Councillors Dibble, Dominguez and Sargent were recorded in the affirmative. Councillors Flynn, Hapworth, Madore, Morsillo, Prosniowski, Riccardi, Turiel and McCarthy were recorded in the negative.

**ORDERED:** That the Committee on Government Services, Co-posted with the Committee of the Whole meet to discuss and recommend specific actions to be taken on the possible bullying, lying, and intimidation tactics by Mayor Kim Driscoll, sometimes by the Mayor herself, other times via proxy by certain city employees, certain board and committee members, and other Mayoral supporters. These improper tactics are often used against City Councillors who may disagree with the Mayor, or even simply have questions or concerns. Included in these was the outright recent bullying of At-Large Councillor Domingo Dominguez in respect to two recent poorly worded housing initiatives proposed by the Mayor. These matters were tabled, received from committee only to be put back into committee, and/or then again tabled but not acted on. These tactics were simply to delay the votes for numerous weeks, to allow for more time and for more bullying to take place in an attempt to try to force certain Councillors, especially Councillor Dominguez, to switch their votes. Further, the Mayor has repeatedly attempted to unethically and possibly illegally pressure Councillors to allow the Mayor to “win” on every single issue, often without compromise by the Mayor, and often without questions allowed. In addition, the Government Services Committee is ordered to discuss potential bullying tactics of a member of Salem’s No Place for Hate committee and determine what action, if any, should be taken against the committee member.

**Be it further ORDERED,** that the City Clerk, City Solicitor, Salem Police Chief or designee, and Human Resources Director be ordered to attend, and that the Mayor and No Place for Hate committee be invited to attend.

Councillor Dominguez stated he was impacted by this and is looking for this to end. Like to have this discussion. As leaders we need to stop the bullying. We can disagree. At times during this he felt like quitting. He had a conversation with the Mayor. Trying to promote a new generation of leaders.

Councillor Prosniowski stated even when negotiated for the union, he did not experience any bullying. These are serious accusations – wants to hear from witnesses and see evidence. This is not the forum or arena. We should meet in Executive Session if this was to happen.

Councillor Turiel stated there was confusion between politics and bullying. If something going on, then reach out to the Attorney General.

Councillor Morsillo stated we talked about respect at our January retreat. This one is more public than social media. Where and When does this stop.

**CITY OF SALEM**  
**SEPTEMBER 24, 2020**  
**CITY COUNCIL REGULAR MEETING**

Councillor McCarthy is disappointed that it came to this point. We agree or disagree. I talk to her in her office. This has been before us twice. The reason the ADU was brought back was due to the fact she believed she had 8 Councillors votes. Then one person changed their mind. Explain yourself these are unfounded accusations. Where is the evidence. It's just politics. It's the body who acted not just a person. Politics is politics.

Councillor Riccardi - How can we work pass this. How can we listen and go forward?

Councillor Hapworth – We need to take criticism. No vast conspiracy. I've received 4 text messages from the Mayor and 1 had to do with pickle ball. Some opinions align and some don't. There are many people outspoken on issues.

Councillor Madore stated we have been talking about this for 25 minutes. Need to try and heal but more shame and pain by bringing in this order. We need to better communicate and build bridges. She stated regardless of my opinion, I will always call people back. In these 25 minutes I'd rather been talking about public housing, rents, condo conversions, etc.

Councillor Flynn stated he enjoyed the retreat in January and then thrown into a World Health Crisis. Been together for 9 months and have 15 months left. We all need to have respect for others and stay positive
