

# Canal Street Phase 2A Flood Mitigation Project

## Two Week Look Ahead: January 8<sup>th</sup> – January 19<sup>th</sup>

### General Project Information:

- Project work hours: 7am – 3:30pm.
- Traffic throughout the neighborhood is anticipated to be alternating two-way with police details. Entrances to houses and adjacent roads may be impacted during the construction. Parking will not be allowed on either side of the road at or near the work zone. Roads will be open during non-working hours.
- Roadway work is anticipated to be limited during the winter months due to weather concerns (January through March).

### Projected Construction Activities:

Week of January 8 <sup>th</sup>	<ul style="list-style-type: none"><li>• The Contractor will continue the Forest River Park Ballfield, pedestrian bridge, and drainage swale work.</li><li>• The Contractor will continue to work on the pond outlet structure and seawall along the ocean in Forest River Park.</li><li>• The Contractor will continue to build inverts on structures throughout Clifton and Forest Avenues.</li></ul>
Week of January 15 <sup>th</sup>	<ul style="list-style-type: none"><li>• The Contractor will continue the Forest River Park Ballfield, pedestrian bridge, and drainage swale work.</li><li>• The Contractor will continue to work on the pond outlet structure and seawall along the ocean in Forest River Park.</li><li>• The Contractor will continue to build inverts on structures throughout Clifton and Forest Avenues.</li></ul>

Issue Date: January 2, 2018
