

Urban Renewal Areas – Sign Review Requirements

The following items are required for a submission for Sign Review by the Salem Redevelopment Authority (SRA) and its Design Review Board (DRB). **Submission to the DRB must include 8 color copies of the entire packet. Please refer to the "SRA Sign Review Process" document regarding submission to the SRA after a project receives a recommendation from the DRB.**

Checklist of Required Documents:

- ☐ 1. Complete Application with Property Owners Signature and fee
- ☐ 2. Scaled 8.5 x 11" Colored Drawing (1/4" = 1') denoting letter type (font) and letter heights
- ☐ 3. Building Elevation denoting sign placement on the building (in color)
- ☐ 4. Scaled Cross Section showing detailed methods of attachment
- ☐ 5. Proposed method of lighting, if applicable
- ☐ 6. Sample or Description of Actual Materials and Colors
- ☐ 7. Photograph of existing building front and contextual photograph showing the surrounding buildings

Applicants should note that it CAN take up to two months or longer before a permit will be granted; from the time the application is submitted to the DRB. Every effort will be made to expedite complete applications.
