There was also discussion about running online ads to direct people to the fund's donation page.

**4. Old business**

**a. Education Fund grant applications review**

The committee received three applications for Education Fund grants and discussed each. There was discussion about capping the number of grants awarded each year, the amount awarded each year, and whether to continue accepting them on a rolling basis. The committee decided to amend the application form to require applicants to specify how much they are requesting and to provide a timetable, so time sensitive applications can be acted on promptly. The committee voted unanimously to table the decision on the three applications until they received additional details from Dominick as to the average amount in donations received annually by the Education Fund.
