

THE CITY OF SALEM INVITES YOU TO A

SOUTH CAMPUS VISIONING PUBLIC FORUM

Salem State University, per its master vision, is planning to consolidate its campus footprint by divesting from its South Campus property. Working with the university and the Division of Capital Asset Management and Maintenance of Massachusetts, the City of Salem will lead a community visioning process to develop reuse concepts for the property. Sasaki has been commissioned to guide us through this process.

**MONDAY, DECEMBER 9
6:00PM TO 7:30PM**

LOCATED AT THE HARRINGTON BUILDING CAFETERIA ON
SALEM STATE UNIVERSITY'S SOUTH CAMPUS

A brief presentation will be given at 6:00 pm. The presentation will include an overview of reuse concepts based on site characteristics and community input to date. Following the presentation there will be opportunity to provide additional input.

For further information, please contact Tom Devine at the City of Salem Department of Planning & Community development at tdevine@salem.com or (978)619-5685.
